In 2006 the Federal Government enacted the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (AML / CTF). The purpose of this legislation is to detect and prevent money laundering and terrorism financing.

Why does this legislation affect you?

AFM have to meet stringent Investor identification and verification requirements. This means that prior to units in any Affluence managed fund being issued, we must be 'reasonably satisfied' that Investors are who they claim to be.

What do you need to do?

If you invest in the Fund through a financial adviser or an IDPS facility then they may request and collect verification materials from you. If you are investing directly, you need to provide Identification Information. The documents required differ depending on the type of entity making the investment. We may require additional information from you where we reasonably consider it necessary to satisfy our obligations under the AML / CTF Act. Applications cannot be processed until all the necessary information is provided.

What Identification Information must be provided?

The type of entity making the investment determines what Identification Information you must provide.

Investor Name / Entity:

Question	Yes	No
Investment Status		
Are you investing more than \$500,000 or do you believe you would otherwise qualify as a wholesale or sophisticated Investor?		
Are you investing in this Fund on the advice of a licensed financial adviser who has taken into account your personal objectives, financial situation and needs?		

If you answered yes to either question, you do not need to complete the remaining Target Market Questions. Proceed directly to the Application Form.

Question	Yes	Νο
Target Market Questions		
Do you accept that the Fund aims to achieve its investment objectives over one year or longer, and that it may not be appropriate if your expected investment period is shorter than one year?		
Do you accept that although the Fund has a low risk rating the capital value of an investment in the Fund is not guaranteed and can fluctuate over time?		
Do you accept that while the Fund targets a minimum distribution equal to the RBA Cash Rate plus 3% per annum, paid monthly, that distributions are not guaranteed and may vary over time, or even cease for a period?		
Do you accept that despite the Fund having a very high level of diversification within the fixed income asset class, it may be riskier to invest all your savings in a single fund, rather than hold a diversified portfolio of investments?		
Do you accept that while withdrawals are generally paid monthly, this is not guaranteed and that in some limited circumstances, you may have to wait longer to redeem your investment?		
Please indicate how much your investment in the fund represents of the total assets you have available for investment, excluding your residential home:		
Less than 25% 25% - 75% 75% - 100% Prefer not to say		

If you have answered 'No' to any of the above questions, this product may not be suitable for you. Before proceeding with your investment, please:

- Review the Fund's TMD, which can be found at https://affluencefunds.com.au/invest.
- Review the Fund's PDS, in particular the disclosures around Fund risks.
- Consider speaking with a financial adviser or other investment professional.
